Mark M. Chapa, Outreach Coordinator
547 West Lancaster Blvd.
Lancaster, CA 93534

Dear Mr. Chapa and Parade Committee Members:

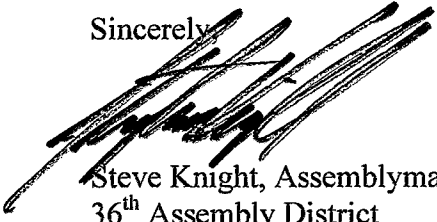

As a military veteran, I want to express my appreciation and support for your efforts in planning the annual Veterans Day parade on Nov. 6, 2010 in Quartz Hill.

Although resources are strained at this difficult time in our state and nation, I believe it is important for us to come together to remember and honor those Americans whose sacrifices were far greater than those we bear today.

I encourage citizens of the 36th Assembly to join with you to support the success of this worthwhile endeavor. Please feel free to contact me at any time if I or my staff can be of service on any state-related matter, especially concerning the State Military Department and the California Department of Veterans Affairs. I am committed to working with you to help make California a better state for our veterans.

Thank you for your service to our community of veterans and their families.

Sincerely,

Steve Knight, Assemblyman
36th Assembly District
