Dear Debbie,

NASA Dryden Flight Research Center on Edwards Air Force Base will be participating in the 3<sup>rd</sup> annual Veterans' Day Parade as we have since its inception.

Dryden is honored to be joining again in the Antelope Valley's most important community event, recognizing our veterans. NASA personnel appreciate this opportunity to thank our local veterans for their service and sacrifice.

Leslie Williams will be the point of contact for Dryden's entry in the Palmdale venue this year. She can be reached at 661-276-3893. Her email address is [leslie.a.williams@nasa.gov](mailto:leslie.a.williams@nasa.gov). We look forward to demonstrating our gratefulness to our veterans, which they richly deserve.

Sincerely,
