Veterans Day 2011

Dear Friends:

Thank you all for participating in the 3rd Annual Veterans Day Parade celebrating our heroes here in the Antelope Valley and abroad.

We will never forget the courage and bravery displayed by our servicemen and women during our nation's past and present times of need. We do not need to look far to our men and women at Edwards Air Force Base and Naval Air Weapons Station China Lake who protect the American way of life, and I pray for the safety and well-being of those who are away from their families and in harms way on this holiday.

We owe our freedom to those who have put their love for our country above themselves. On this Veterans Day, I encourage everyone to reflect on the sacrifices that have allowed us to live our lives as we do and to thank a veteran for it.

Sincerely,
